

Pillar 4

POLICY AND LEGISLATIVE CHANGE

Our Impact

- Pushing for Mental Health to be enforced through the Health and Safety at Work Act 1974
- Regulated mental health training
- Industry-wide mental health framework adopted through HSE

What We Do

- Targeted lobbying and campaigns to reform policy and legislation
- Engagement with people of influence

How We Measure Impact

- Policy and media engagements
- Legislative changes
- Adoption of training standards
- Companies adopting the framework
- Shifting industry attitudes
